MR. RICHARD DAVIES, Philadelphia

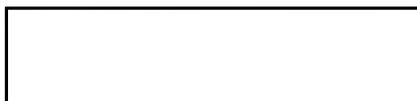

LOCUST 7-1700

Just returned from Europe - Thursday there will be a meeting at the Waldorf in NYC of the National Industrial Conference Board on air raid protection for industry. Mr. Davies is presiding at this meeting. People present will be people from industry and representatives from some foreign countries including Germany and Britain who ~~worked~~ worked on air raid protection in their countries during the last war.

There will be representatives from Civil Defense Admin, and Civil Def. Liaison man of the Office of the Secretary of Defense - approx 500-800 representatives ~~of the industry~~

Invitations should be issued to Munitions Board (Mr. Small), CIA, Army, Navy, Air, FBI and Treasury.

If anyone wishes to attend, call Miss Lefler (Locust 7-1700) and she will see that seats are arranged.
